

Certificate of Conformance to RoHS Directive

Global Laser Ltd

Certifies that the products manufactured by them do not fall within the RoHS Directive. For the benefit of other manufacturers who may include such products in larger equipment that may fall within the Directive, Global laser also certifies that its products do not exceed the permissible limits for lead as set by the Directive.

A handwritten signature in white ink, appearing to read "Ken Owen", is positioned on the left side of the page. The signature is stylized and fluid.

Ken Owen
Chief Technical Officer

Issued: 05 May 2006
